

**GEOCACHE/LETTERBOXING SITE
PLEASE READ**

Congratulations, you've found it! Intentionally or not!

What is this hidden container sitting here for?

It is part of a worldwide game. You have found a Geocaching or Letterbox site. These games involve a player to hide a "treasure" (this container and its contents) and publish the exact coordinates or directional clues on the appropriate Web page so users can go on a "treasure hunt" to find it. The only rules are: if you take something from the cache, you must leave something for the cache, and you must log your visit in the logbook. Hopefully, the person that hid this container found a good spot that is not easily found by uninterested parties. Sometimes, a good spot turns out to be a bad spot, though.

IF YOU FOUND THIS CONTAINER BY ACCIDENT:

Great! You are welcome to join us! We ask only that you:

- Please do not move or vandalize the container. The real treasure is just finding the container and sharing your thoughts with everyone else who finds it.
- If you wish, go ahead and take something. But please also leave something of your own for others to find, and write it in the logbook.
- If possible, let us know that you found it, by visiting the appropriate Web site listed below.

Geocaching and letterboxing is open to everyone with a sense of adventure. There are similar sites all over the world. These organizations have their homes on the Internet. Visit the Web sites if you want to learn more, or have any comments:
